However, failure to provide such notice will not relieve you from your liability or obligations under this Agreement, except to the extent you are materially prejudiced as a direct result of such failure. The Indemnitee will cooperate with you at your expense in connection with the defense and settlement of the Claim. You may not settle any indemnified Claim in a manner that adversely affects the Indemnitee without its prior written consent. Further, the Indemnitee may participate in the defense of the Claim through counsel of its own choosing at its own cost and expense. If you fail to promptly assume the defense and employ counsel reasonably satisfactory to Indemnitee, or the Indemnitee has been advised by counsel that there exist actual or potential conflicting interests between you or your counsel and such Indemnitee, the Indemnitee may employ separate counsel, in addition to local counsel, to represent or defend such Indemnitee in such action or proceeding, and you agree to pay the fees and disbursements of such separate counsel as incurred. To the extent indemnification requires the payment of monies owed, such indemnification will occur as soon as reasonably possible after the determination of monies owed, and payment to the Indemnitee will be made within 30 days of a

final determination of monies owed. Your obligations under this Section are in addition to any rights that any Indemnitee may have at common law or otherwise.
